

New Cruiser PTZ Replacement is Released

Vicon has upgraded our SN663V Cruiser camera to offer better image capabilities at the same cost-effective price. This full-featured indoor/outdoor PTZ now offers 20x optical zoom and true WDR (120dB). This new model will be shipping immediately and any outstanding orders will be receiving this updated version.

With Vicon's customer commitment to provide an unprecedented customer experience, we will continually be making improvements to our products.
