

## Vicon's Commitment to NDAA Compliancy

Vicon Industries, Inc. ("Vicon") is committed to delivering secure, highly reliable IP video surveillance products that comply with the John S. McCain National Defense Authorization Act (NDAA). Section 889 of the act contains prohibitions on certain video surveillance services and equipment from specific vendors. Vicon does not have OEM or ODM relationships with any of the vendors named in the NDAA.

The Vicon products listed in this document do not use or deploy essential or critical components covered from banned vendors and are compliant with the NDAA. These products will be included in Vicon's GSA contracts and are recommended for US Government applications that are subject to the NDAA.
