June 2023

Updated Version 2.18.0.0 of the PRONTO Device Manager Utility

General Description

Vicon is releasing an updated version of PRONTO Device Manager discovery tool, version 2.18.0.0. This application discovers, manages and updates Vicon cameras from a single interface, eliminating the need for multiple discovery tools.

Installing PRONTO does not require any licensing. This updated software is available on Vicon's website.

Product	Previous version	New version
PRONTO Device Manager utility	Version 2.15.0.0	Version 2.18.0.0
