Vicon Announces New APAC Sales Vice President

Hauppauge, New York (July 1, 2015): Vicon Industries, Inc. (VII: NYSE-MKT) (“Vicon”), trusted designer and producer of video security systems and high-performance IP cameras, today announced the addition of Lawrence de Guzman to better manage our growing local business in southeast Asia. Mr. de Guzman has been hired as VP APAC reporting to Bret McGowan, Sr. VP Sales and Marketing and will be stationed in Singapore.

Mr. de Guzman has an extensive background in international sales and marketing, as well as senior management for high-tech, high-growth companies. He brings a wealth of experience, having been a business driver within the IP Video Surveillance and Management industry. Prior to joining Vicon, he held increasing important roles at Milestone Systems, most recently as Director of Global Key Accounts, Verticals and OEM Sales and Sales Operations. Prior to Milestone, he was Global Marketing Director and Managing Director Asia Pacific for Axis Communications. He has lived and worked worldwide, Europe (over 13 years total in Scandinavia), Asia (9 years based in Singapore) and the US, where he is originally from (Southern California). Lawrence has an Executive MBA from California State Hayward/East Bay and a Business Administration degree with a Computer Information Systems focus from Cal State Dominguez Hills in the USA.

Mr. de Guzman commented, “I look forward to joining Vicon and contributing to significant growth in Asia Pacific. Together, we aim to apply innovation and a collaborative ecosystem in creating true value-add for increased growth and profitability for our partners.”

“We are excited to have such an accomplished professional leading our sales effort in the APAC area and I look forward to working with him,” stated Bret McGowan, Vicon Sr. VP Sales and Marketing.

For 48 years, Vicon has been an experienced designer and manufacturer of video management software, high-performance megapixel IP cameras, video storage solutions and access control systems. Vicon combines a complete security solution with a team-ecosystem of business and technology partners to bring the most comprehensive security solution in the market.
